

Stand with Wayside.

Protect Our School Community.

MCPS has proposed four new boundary options — and **each one would reassign Wayside Elementary out of the Churchill cluster.**

This proposal is deeply concerning to our families.

For decades, Wayside has been a meaningful and integral part of the Churchill community. The connection is strong, stable, and built on trust and shared values. Families have built lasting relationships, and children grow up with a clear sense of belonging and continuity.

Reassigning Wayside would:

- **Separate children from their middle school classmates and friends**
- **Introduce unnecessary uncertainty and anxiety** for students and families
- **Disrupt the strong tie** among families, educators, and the broader community
- **Break apart a cohesive and historically aligned neighborhood**
- **Undermine trust** in MCPS's commitment to stability and transparent planning

We respectfully urge MCPS to **keep the Wayside community together and within the Churchill cluster** — not just for today, but for the long-term health and harmony of our school system.

Let's protect what we've built — for our children, our families, and our future.
